VALGRISENCHÉ

5 KM of slopes 2 black, 1 red, 1 blue

Lifts 1 chairlift, 2 magic carpets (conveyor belts)

If you wish to experience **the magic of skiing immersed in the most pristine nature**, you absolutely must not miss Valgrisenche: here, thanks to the low temperatures, **the snow remains incredibly powdery for a long time.**

Away from the chaos, you can ski close to **almost 2000 meters**, surrounded by spectacular glaciers and lush forests.

This small ski area is **well suited for both more or less experienced skiers.**

Children will appreciate the fun snow park located at the start of the cable car.

Valgrisenche preserves the tradition of weaving "draps", made with sheep's wool processed on **ancient wooden looms.**

LA MAGDELEINE

5 KM of slopes 1 red, 1 blue

Lifts 1 skilift, 2 magic carpets (conveyor belts)

At about 1650 meters of altitude and surrounded by vast forests, La Magdeleine is **the smallest village in the Valtournenche**, counting barely 100 inhabitants. A charming village, still untouched by mass tourism, consisting of five small, simple, and picturesque hamlets, with **wooden and stone buildings** where it is still possible to find **ancient rural constructions** such as **rascards for hay storage and greniers for storing cereals**.

It is an ideal resort for beginners and children, thanks to its **very easy downhill slope, the magic carpets for the ascent, and the renovated snow playground**.

OLLOMONT

1 KM of slopes 1 blue

Lifts Lifts 1 skilift, 1 magic carpet (conveyor belt)

Ollomont is located at **1335 meters of altitude** in the Valpelline, in a wide wild basin surrounded by a superb chain of peaks. With its 160 inhabitants, it is one of the small gems that Italy offers to mountain and ski enthusiasts: it is the ideal place **for those who wish to experience their first thrills on skis**, thanks to its small slope and the **fun snow playground with bobs and inflatables**. Furthermore, it is the starting base for high-level mountaineering ascents, such as to Grand Combin and Mont Vêlan, and for ski mountaineering excursions. The notoriety of this **enchanted village**, which in the past was an important copper extraction center, is today entrusted to its nature, which makes it truly magical.
